#### Standard Load Tightener

- Red-Orange Painted Finish

Part No.	Chain Size	Take-up	S.W.L.L.*	U.L.L. **
45-0302	3/16"-1/4"	3-3/8"	375 lbs.	1,500 lbs.

#### Lebus Style Load Binder

- Forged Steel Red-Orange Painted Finish

Part No.	Chain Size	Take-up	S.W.L.L.*	U.L.L. **
45-0307	1/4"-5/16"	4-1/2"	2,600 lbs.	7,800 lbs.
45-0303	5/16"-3/8"	4-1/2"	5,400 lbs.	19,000 lbs.

#### Chain Boomer

- Red-Orange Painted Finish

Part No.	Description
45-0304	3/8" capacity Standard load binder - 19,000 lbs. min. breaking strength

#### Load Binder Lock

- Eliminates Load Binder Release
- Easy to Install and Remove
- Highly Visible Yellow
- Two Width Adjustment
- Yellow Painted Finish

Part No.	45-0310
----------	---------

\* Never exceed the S.W.L.L. (Safe Working Load Limit)

\*\* U.L.L.=Ultimate Load Limit

### 4" Heavy Duty Slot Winch

- Standard height winches are for bottom mounting only
- Low Profile winches are designed for side mounting
- Storable winches are for bottom mounting and offer added capacity for storing up to 30 ft. of webbing

Part No.	Description
45-0200	Sliding or Weld On, Extra Capacity
45-0210	Portable Bolt On, Standard Capacity
45-0220	Weld On, Low Profile
45-0230	Weld On, Standard Capacity
45-0240	Weld On, 3 Bar Low Profile

### Winch Bars

Part No.	Description
45-0250	Standard Winch Bar Chrome Plated
45-0260	Combination Winch Bar/Load Binder Bar with Pinched and Flared Tip

45-0250

45-2060

### Corner Caps

Part No.	Description
45-0106	12 ga. Galvanized steel chain cap - 6" wide
45-0108	12 ga. Galvanized steel strap cap - 8" wide, handles up to 4" straps
45-0154	Plastic strap guard - for up to 4" straps

45-0106

45-0108

45-0154

### Winch Straps

- Heavy Duty winch straps are made of resin-coated polyester for maximum wear resistance
- Numerous strap length and width sizes are all available, and are made to order
- All straps meet CVSA guidelines and WSTDA recommended standards

Safe Working Load Limit, Breaking Strength, Weight, and Warnings are specified and printed on all products, and are set in accordance with industry standards for each size, width, hook, and webbing combination selected by the customer

#### Available Strap Widths:

2"  
3"  
4"

#### Common Strap Lengths:

25 ft  
30 ft  
45 ft  
50 ft

#### Hooks Available:

Double "J" Hook  
Flat Hook  
"V" Ring  
Chain & Grab Hook

### Ratchet and Cam Buckle Straps

- Procore ratchet and cam buckle straps are suitable for most types of flatbed tie-down requirements
- Numerous strap length and width sizes are all available, and are made to order
- All straps meet CVSA guidelines and WSTDA recommended standards

Safe Working Load Limit, Breaking Strength, Weight, and Warnings are specified and printed on all products, and are set in accordance with industry standards for each size, width, hook, and webbing combination selected by the customer

#### 1" Ratchet Straps

##### Available Webbing:

Nylon  
Polyester

##### Common strap Lengths:

9 ft  
12 ft  
16 ft  
20 ft

##### Hooks Available:

Double "J" Hooks  
Double "J" Hooks with D-Ring  
Vinyl Coated S-Hooks

#### 1" Cam Buckle Straps

##### Available Webbing:

Nylon  
Polyester

##### Common strap Lengths:

6 ft  
12 ft  
15 ft  
2-Packs Available

### Cargo Control Bars

Part No.	Description	
45-0171	Steel Tube Galvanized 1.5" w/Plastic Foot Pads 2" x 4" Adjustable from 60" to 75" Weight 4.4kgs	
45-0173	Steel Tube Galvanized 1.5" w/Plastic Foot Pads 2" x 4" Adjustable from 89" to 104" Weight: 5.4kgs	
45-0175	2 Pieces Steel Tube Galvanized 38 w/Plastic Foot Pads 2"x4" 38 mm Steel cargo bar Adjustable from 89" to 104", with Spring Weight 5.7kgs	
45-0179	Telescoping Cargo Bar Steel Tube Chrome 1.1" w/Rubber Foot pads 2" x 3.5" Adjustable from 49"-70", painted weight 1.55kgs	

### ATV Ramps

- 1500lbs. Tri-fold Aluminum Ramp
- One ramp to handle your Lawn Tractor, Motorcycle, Snowmobiles, and ATVs
- No more struggling to position individual ramps
- Folds compactly for easy storage
- Sturdy enough for the heaviest loads
- Safety cam buckle tie-down strap keeps ramp secure while loading
- Comes complete with three Aluminum ramps

Part No.	Description
52-1051	69" Long x 45" Wide
52-1052	77" Long x 50" Wide

### "Bungee" Stretch Cords

#### Stretch Cords with Hooks

Part No.	Description
45-0003	8 mm x 13", stretch cord c/w wire hooks
45-0005	8 mm x 18", stretch cord c/w wire hooks
45-0007	8 mm x 24", stretch cord c/w wire hooks
45-0009	9 mm x 30", stretch cord c/w wire hooks
45-0011	10 mm x 36", stretch cord c/w wire hooks

#### 4 Way Stretch Cords

Part No.	Description
45-0017	8 mm x 24", 4 way stretch cord, c/w wire hooks

#### 6 Way Stretch Cords

Part No.	Description
45-0029	8 mm x 30", 6 way stretch cord, c/w wire hooks

#### Stretch Cords with Hooks - 4 Packs

Part No.	Description
45-0033	Pack of 4 pcs, 8 mm X13" stretch cord c/w wire hooks
45-0035	Pack of 4 pcs, 8 mm X24" stretch cord c/w wire hooks
45-0037	Pack of 4 pcs, 10 mm X36" stretch cord c/w wire hooks

#### Bungee Kit

Part No.	Description
45-0050	Pack of 15, bungee kit contains: (4) 10", (3) 13", (2) 18", (4) 24", (2) 30", stretch cord c/w wire hooks

### Cargo Nets

- Smaller units are ideal for ATVs, motorcycles, bicycles and snowmobiles
- Medium to larger units are great for truck racks, truck boxes, etc.

Part No.	Size	Hooks
