

Porcelain / Ceramic

- CTG Through-body porcelain tiles offer one of the best values in the design industry.
- Technological innovations have allowed porcelain tile manufacturers to create a wide variety of designs and colors in many sizes, shapes and finishes.

Porcelain stoneware remains at the forefront of Italian design.

Often used for exterior and interior applications, for both walls and floors as porcelain is highly durable, slip resistant, easy to clean and relatively inexpensive.

- ▶ Luxurious looking
- ▶ Low maintenance
- ▶ Numerous colors, sizes, and shapes
