

# PVC Pipe & Fittings

• CTG supplies a range of well engineered PVC pipes, and PVC Pipe Fittings for various industrial and domestic usages.

• These pipes are available in hundreds of shapes and sizes and are an excellent long life and trouble free performance, with different finishes as per the specific demands of the clients' processes.

PVC plastic pipes have been proven to give better results and last longer in comparison to pipes made out of metals or any other material.

- ▶ Ease Of Handling and Installation
- ▶ Excellent Pipe Strength and Impact Resistance
- ▶ Lower Water Noise
- ▶ Hydraulic Resistance and Flow Characteristics
- ▶ Chemical Resistance
- ▶ Flexibility
- ▶ Galvanic & electrolytic Immunity
- ▶ Fire Resistance
