

Valves & Pumps

Valves

• China Trade Gateways's wide range of industrial and residential-use valves are suited to fit any need or purpose as they are widely used in Petroleum, Chemical, and Metallurgy industries, Power Plants, Hydro, and Water Treatment Facilities. Various value grades are available, all are highly reliable, and all are manufactured from quality material at top-grade factories.

• A well developed sourcing program allows China Trade Gateway to source the right products for any applicaton and deliver them to any site according to the requirements of speed, security, and safety.

We offer a wide variety of valves:

- ▶ Ball Valve
- ▶ Gate Valve
- ▶ Check Valve
- ▶ Globe Valve
- ▶ Strainer Valve
- ▶ Buterfly Valve
- ▶ Pneumatc Valve
- ▶ Motorized Valve
- ▶ Lined Valve
- ▶ Plug Valve
- ▶ Sluice valve
- ▶ Safety relief valve
- ▶ Pressure Valve
- ▶ Balancing valve
- ▶ Diaphragm valve
- ▶ Flow control valves
- ▶ Radiator Valves

- ▶ Lever Sets
- ▶ Precise
- ▶ Resistant to corrosion
- ▶ Easy installaton
- ▶ Mortce Latches
- ▶ Reduces turbulence

Valves & Pumps

Pumps

• Automatic and manual pumps of high quality design and construction are available from CTG's suppliers. Submersible drainage and sewage pumps, magnetic drive chemical pumps, submersible pumps for industrial equipment and products for the home and garden are all available from suppliers who encompass extensive expertise.

• From wastewater, sump, effluent and sewage pumps ... to water removal and grinder sewage systems ... CTG'S pump sourcing department provides high quality pumps for residential, light & heavy commercial, industrial and agricultural uses.

Pumps have numerous uses, from removal of condensate or drain water to air conditioning and refrigeration equipment, to condensing heaters, furnace burners and boilers.

- ▶ Transfer Pumps
- ▶ Water Removal Systems
- ▶ Sump Pumps
- ▶ Utility Pumps
- ▶ Effluent Pumps
- ▶ Sewage Ejector Pumps
- ▶ Magnetic Drive Pumps
- ▶ Specialty Pumps
- ▶ Evaporative Cooler Pumps
- ▶ Garden Pumps
- ▶ Swimming Pool Pumps
- ▶ Aquarium Pumps
- ▶ Replacement Pumps
